Adult Faith Education

2017

I have come that they may have life, and have it abundantly.

John 10:10

Religious Education Team
Catholic Diocese of Auckland

Deepening knowledge to support service and Mission

By our Baptism we are called to life in relationship with God, called to live as disciples of Jesus Christ - in our homes, in the workplace, in the community and in the world.

Faith formation opportunities help us to:

- Grow in our relationship with God,
- Develop an understanding of the Bible
- Deepen our knowledge of Catholic tradition.

The RE Team will work with parishes to provide adult faith formation that is engaging, interactive, relevant, and fits contemporary learning situations.

All sessions can be held in the Church, Church hall, meeting room...where there is space and people are comfortable.
