The second, www.reclaimsexualhealth.com is an on-line subscription program to help persons break free from pornography and other unhealthy sexual behaviours. The RECLAIM program was developed in light of recent brain science on the chemical basis of pornography addiction. It teaches clinically-proven exercises to enable a person to establish healthy activities to overwrite the unhealthy habits. Under the direction of our local Bishop David Ricken of Green Bay, Wisconsin, the RECLAIM program has been refined to be fully Catholic, with Catholic moral teaching throughout. It bears Bishop Ricken's Imprimatur
