Readings from the Gospel of Mark

Jesus continued teaching and said, “Beware of the teachers of the law. They like to walk around wearing fancy clothes, and they love for people to greet them with respect in the marketplaces. They love to have the most important seats in the synagogues and at feasts. But they cheat widows and steal their houses and then try to make themselves look good by saying long prayers. They will receive a greater punishment.”

True Giving

Jesus sat near the Temple money box and watched the people put in their money. Many rich people gave large sums of money. Then a poor widow came and put in two small copper coins, which were only worth a few cents. Calling his followers to him, Jesus said, “I tell you the truth, this poor widow gave more than all those rich people. They gave only what they did not need. This woman is very poor, but she gave all she had; she gave all she had to live on.”

Please remember in your prayers:

- Many families and our precious Deaf community are struggling with money and making their money buy what they need. Even food is so expensive. We pray the Lord will provide a way for everyone who is suffering. Let’s support each other and look out for each other.
- Remember all those sick or have friends or family in the hospital this season. Pray for fast healing and that God will comfort their hearts in his time.

- Also, people grieving or feeling alone are worried, Pray God's peace be with you and guard your heart.
- Let us pray for God's peace and salvation over the darkness and crisis in this world. We pray that in all the situations people find themselves in, the Holy Spirit would bring a change of heart and His presence of Peace.
- We just want to ask for special prayer for some long-time members of our Deaf community Carol and Daniel Brady. They are both in a very hard season in life and Prayer will make a difference. Please pray that they will know Gods strengthening and healing as they navigate the challenges of getting older.
