Celebrating our November Saints

Jesus told his disciples,

One day I will return in glory to sort the good people from the bad,

and I will turn to you and say:

When I was hungry, you fed me.

When I was thirsty, you gave me a drink.

When you did not know me, you made me welcome.

When I had nothing to wear, you gave me clothes.

When I was ill, you took care of me.

When I was alone, you came to visit me.

And you will ask, when did I do all these things for you, Lord?

I tell you, whenever you did any of these things for others,

you did them for me; and because of your goodness

you will share in the glory of my kingdom.

Those people who turned others away and did not care, did the same to me.

On judgement day they will be sent away, never to share eternal life with me in heaven.

The Sheep and the Goats

START

Find your way through the sheep and the goats to be on the right hand side.

Jesus said that when he would return everyone would see him as King with all his power and glory. He would call everybody before him and he would judge and divide people into two groups. One group would be like the sheep and they will be on Jesus' right hand side. They will hear Jesus say, "Come, you are family and the Kingdom of God is yours because when I was in need you were there and chose to help me with drink, food, clothes, hospitality, respect and love." They will be confused and askJesus when this happened because they do not remember doing any of these things for Jesus. He will assure them that each time they helped someone else it was as if they were helping Jesus Himself. Then Jesus will turn to the group who are like goats on his left hand side and say, "I do not know you. Go away from me because you did not help or love others and so you did not love or help me. Be gone!"
